Dear Parent / Carer,

The Wild Robot Movie

During Semester 1, Stage 3 students studied the novel "The Wild Robot" by Peter Brown. They were highly engaged in this unit, connecting with both the character's and the storyline itself. Unbeknownst to us, this novel was transformed into a movie for the big screen and our students are extremely excited to view it as a cohort and to see the novel come to life!

Movie Synopsis

"The Wild Robot" follows Rozzum 7134 ("Roz" for short), a futuristic robot that washes ashore on a deserted island. A tale of survival and discovery begins when she becomes the unexpected protector to an orphaned gosling, which she names Brightbill. Together they struggle to survive the harsh environment, but only succeed with the help of a close-knit group of misfit animals, who become first friends, then family. Ultimately Roz and company save the island from a robotic invasion by Roz's manufacturer, looking to bring her back to civilization by any means necessary.
