CHILD PROTECTION LESSONS PERMISSION NOTE

Dear Parent

As part of the Personal Development, Health and Physical Education curriculum students will participate in Child Protection Lessons.

These lessons will help children to identify dangerous or uncomfortable situations and to seek help from trustworthy adults. Some lessons may involve the naming of parts of the body.

The Child Protection Lessons have been developed by the Department of School Education and they are an important priority for schools

We trust you will support your child's participation in the program.
Please contact the school if you have any questions.

Yours sincerely

Ms Jennifer Harrison
Principal
