

## Kindergarten 2022 Q & A session

### How do I enrol my child?

Enrol online at our school website <https://tuggerah-p.schools.nsw.gov.au/>

Or call the office on **02 43521116** for more information.

### I need to talk to someone about my child because they have special medical requirements or see a Speech Therapist, Psychologist or an Occupational Therapist. Who do I speak to?

You can ring the office on **02 4352 1116** and leave a message for Cheryl Walker or Kylie Kingsley to return your call.

### What will Kindy Start look like this year?

**Option 1** – running for 5 weeks during Term 4 with both parents and students onsite.

**Unfortunately, this will not occur due to COVID-19 restrictions.**

**Option 2** – holding a Kindergarten 2022 Orientation ZOOM for parents and running for 1 or 2 sessions in Term 4, students only permitted onsite due to restrictions.

**Option 3** – holding a Kindergarten 2022 Orientation ZOOM for parents in Term 4 and next year in 2022 Week 1 holding Kindy Best Start Interviews and in Week 2 running the Kindy Start Transition Program. More information about this option will be made available closer to the time.

### How do I find out about all the information I need to know?

We have a **Facebook page** called [Tuggerah Public School Kindergarten 2022](#) that will be kept up to date with all the information parents and carers need.

You can also like the **Tuggerah Public School** Facebook page.

### When will we meet the teachers and see my child's classroom?

Hopefully your child will start in their allocated class in Week 2 or 3 Term 1, however it will depend on what restrictions are in place and which Kindy Start option is available.

We also have individual parent meetings early in Term 1 for you to talk to each classroom teacher and find out how your child has settled in to school.

Towards the end of Term 1 we will have an open classroom for you to visit.

### When will the Best Start interview be done?

It will be done at the very start of the school year. And you will be provided an appointment schedule of up to an hour. The teachers will then be able to plan lessons to best support the learning needs of your child. You will receive a parent feedback letter toward the end of Term 1.
