Stage 1 Intensive Swimming Program

Learning to swim is an essential life skill. Students in Year 1 and Year 2 are going to be given the opportunity to visit Mingara Aquatics for an intensive 2 week swim program in Week 9 & 10 of Term 3. This will give our students a swimming and water safety booster before the summer season. Students will be divided into appropriate levels depending on their ability and confidence. Each group will have a ratio of 1:10 qualified Austswim teachers. Classes will focus on water confidence, safety and the development of correct swimming techniques across all strokes.

The cost of the 10 lessons and buses is \$70 (This is at half the cost due to the assistance of a grant which Tuggerah Public School has secured for our students)

Date:	Monday 12 th September 2022 – Friday 23 rd September 2022
Venue:	Mingara Aquatics (12/14c Mingara Drive Tumbi Umbi NSW 2261)
Cost:	\$70
Time:	9:30AM – 10:30AM session 1 or 10:30AM – 11:30AM session 2

Current Health Condition/s:		
Current medication/s and dosage:		
I give permission for my child to receive medical treatment in the case of emergency.	YES	NO
My Medicare number is:		
Emergency contact name:		
Emergency contact number:		

When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the excursion, parents are responsible for:

- Bringing this need to the attention of the school, including completing a written request to administer medication (forms are available from the front office or via the school website).
- Ensuring that information is updated if it changes.
- Supplying the medication and any consumables necessary for its administration in a timely way. The medication should be within its original packaging with any directions for administration and within its expiry date.
- Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. For some excursions the school will ask you to supply the medication in a different way to what has already been agreed to by the school. You may be asked to supply an additional adrenaline auto injector (i.e. EpiPen) for example.
