When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the excursion, parents are responsible for:

- Bringing this need to the attention of the school, including completing a written request to administer medication (forms are available from the front office or via the school website).
- Ensuring that information is updated if it changes.
- Supplying the medication and any consumables necessary for its administration in a timely way. The medication should be within its original packaging with any directions for administration and within its expiry date.
- Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. For some excursions the school will ask you to supply the medication in a different way to what has already been agreed to by the school. You may be asked to supply an additional adrenaline auto injector (i.e. EpiPen) for example.
