Dear Parents and Carers,

## SCHOOL BOOK PACKS 2021

We have book packs for all students in 2021 to purchase. We have undertaken a lot of research into this and a large amount of schools on the Central Coast structure their resources this way and their parents find this very useful.

As we are now an Advancement Via Individual Determination (AVID) School, specific exercise books and other resources need to be arranged for Stages 2 and 3. Kindergarten to Year 2 also have specific requirements and these will be in their book packs.

## The Book Packs will cost:

Stage 1 (Years 1 & 2): \$65

Stage 2 (Years 3 & 4): \$60

- Stage 2 Enrichment Class: \$70 (Due to the Advanced Maths Text Book Price) Stage

3 (Years Stage 3 (Years 5 & 6): \$60

- Stage 3 Enrichment Class: \$70 (Due to the Advanced Maths Text Book)

## **Book Pack Selling Details:**

When: Book Packs will be delivered to students upon full payment of fees. Please pay online.

**Payment Options:** 

(Kindy 2021: A note for pack requirements and payment date will be emailed out to you).

**Parents Online Payments:** Online payments, through the School website, generally take 24 hours to clear. Once payments are cleared we are able to issue books to your child.

If you are unable to make a one off payment in full please contact the school to arrange a payment plan.

All items in the Book Packs, once they are used or full, will be replenished by the school at no charge to you.

Other resources that the school will cover will be:

Lexile, World Book, Skoolbag, K-2 Readers, Friday Club resources, paints, paper etc. Your class teacher will be sending you home a list of other requirements once classes are established in 2021.

Attached to this letter you will find a comprehensive list of what is included in each Book Pack for each year level.

Kind Regards:

**Tuggerah Public School**
