

School Book Packs 2020

22/11/19

Dear Parents and Carers,

Earlier in the year we polled you for your opinion with regards to book packs and these results were advertised in a previous newsletter. There was great interest in the purchase of book packs rather than simply paying resource fees.

So, in our endeavour to be transparent with regards to student resources and to action the feedback that we received from our poll, we will be introducing book packs for all students in 2020 and beyond. We have undertaken a lot of research into this and a large amount of schools on the Central Coast structure their resources this way and their parents find this very useful.

As we are now an Advancement Via Individual Determination (AVID) School, specific exercise books and other resources need to be arranged for Stages 2 and 3. Kindergarten to Year 2 also have specific requirements and these will be in their book packs.

The Book Packs will cost:

Kindergarten: \$45

Stage 1 (Years 1 & 2): \$45

Stage 2 (Years 3 & 4): \$50

- Stage 2 Enrichment Class: \$60 (Due to the Advanced Maths Text Book Price)

Stage 3 (Years 5 & 6): \$50

- Stage 3 Enrichment Class: \$60 (Due to the Advanced Maths Text Book)

Book Pack Selling Details:

When: Tuesday 28th January 2020 and Wednesday 29th January 2020. *(Kindergarten parents can come throughout this first week whilst their child is undertaking Best Start Testing and can pay for their book pack at the front Office.)*

Where: School Hall.

Times: Tuesday: 9.30 am till 2.30 pm. (Staff Development Day no children at school).

Wednesday: 9 am till 11 am. (First day back for Years 1-6).

Payment Options:

In Person: You can attend the book selling day in person and pay with **correct cash** at the hall. An envelope will be provided for you to put your cash in and write the details on the front. These envelopes will then be given to the School Administration Officer who will receipt your items.

Your child's name will be marked off a list and their book pack will be given to them when they attend school the next day.

Cash: You can attend the Book Selling Day in person as outlined previously or alternatively you can send cash in a clearly marked envelope, with correct money, outlining which grade your child is in. Money to be given to the class teacher.

Parents Online Payments: Online payments, through the School website, generally take 24 hours to clear. Once payments are cleared we are able to issue books to your child.

If you are unable to make a one off payment in full, you will be able to make progress payments until the full cost is finalised. Students will be able to utilise their book pack once payments are started.

All items in the Book Packs, once they are used or full, will be replenished by the school at no charge to you.

Other resources that the school will cover will be:

Lexile, World Book, Skoolbag, K-2 Readers, Friday Club resources, paints, paper etc. Your class teacher will be sending you home a list of other requirements once classes are established in 2020.

Attached to this letter you will find a comprehensive list of what is included in each Book Pack for each year level.

Kind Regards:

Tuggerah Public School

Stage 3 (Year 5 + 6)

Item	Qty Per student
Maths Plus Textbook (Enrichment - Advanced Maths Textbook)	1
School Magazine Year's Supply	1
