WYONG HIGH SCHOOL YEAR 7 ACADEMIC SCHOLARSHIPS

At Wyong High School, we believe that all students should make learning their number one priority. We are therefore committed to recognising and supporting students who exhibit dedication to learning and the achievement of academic excellence. Along with our merit system which recognises academic achievement throughout the year, Wyong High School offers academic scholarships which provide financial support and assistance to successful applicants.

Students who are in zone and enrolled to enter Year 7 at Wyong High School in 2022 are invited to apply for an academic scholarship. Five academic scholarships will be awarded: to one student from Tacoma, Wyong, Wyong Creek, Jilliby and Tuggerah Public Schools. These scholarships will be decided by the principal of each school.

Five **Year 7 Academic Scholarships** worth \$160 each will be awarded. These will cover the cost of Year 7 school fees for 2022.

One of the five students nominated by each school's principal will be granted a prestigious scholarship named the **Wyong High School Academic Bursary**. This will cover the cost of school fees for up to six years of the student's schooling at Wyong High School. The value of this bursary will vary, depending on elective subject choices throughout the recipient's schooling. The recipient of this bursary will be decided by the Wyong Learning Community principals and their decision will be binding.

NB: These scholarships and the bursary are not transferrable and are only granted whilst the student remains at Wyong High School.

Successful applicants will need to demonstrate:

- a genuine commitment to learning
- excellence in academic achievement
- high level school and community involvement

Scholarships will only be awarded to students who have made a firm commitment to attend Wyong High School in 2022.

Parents/carers of the recipients of the scholarships will not be invoiced for their child's school fees. These fees will be paid directly by Wyong High School.

Applying for a scholarship:

- Each student in Year 6 will be given an application form to be submitted to their current primary school principal by close of business Friday 22nd October 2021.

Thank you for choosing Wyong High School for your child's education. I look forward to meeting and working with you in 2022.

Yours Sincerely

Rodney Hill
Principal
Wyong High School
